ABOUT THE EXPO

The Power & Elec India Expo will take place from 16 - 18 January 2026 at the Autocluster Exhibition Center Pimpri-Chinchwad in Pune. The exhibition is focused on the broad sectors of Power, Electricals, Electronics, Energy & Renewables and will act as a medium to meet the untapped potential of this industry in Pune, Maharashtra.

The event's focus on bringing together suppliers, manufacturers, distributors, investors, and buyers creates a unique opportunity for networking and collaboration. It enables participants to explore potential business partnerships, source cutting-edge products, and foster connections that can drive the industry in Pune and Western Peninsular Region forward.

Pune is the second largest city in Maharashtra and is an important city in terms of industrial and economic growth. The power sector of Maharashtra has been among the top performers in terms of access to electricity as well as quality of power supply, serving the largest consumption base in India. The state envisions to be a trillion dollar state economy by 2026. This exhibition is focused to support the Maharashtra Power Sector Vision 2030.

Moreover, the expo's role as a knowledge-sharing hub cannot be overstated. As industry players gather to exhibit their offerings, attendees also have the chance to engage in discussions about emerging trends, best practices, and the latest technological advancements. This exchange of ideas can lead to fruitful collaborations and networking to further stimulate growth, advancement and innovation in the Power & Elec sector.
